

EMERGENCY DENTAL CARE - COVID-19

Emergency Dental Care

Call **833-867-4642** Mon - Fri, 8:00am-5:00pm to speak with a Neighborhood dental care specialist

We are open for affordable emergency dental care during COVID-19 in Escondido, CA.

Need affordable **emergency dental care**? At Neighborhood, we continue to offer emergency dental services for children and adults at our Escondido location. We provide quality, compassionate care to everyone regardless of circumstance. We are here to help you with emergency dental problems that require immediate treatment in order to save a tooth, stop ongoing tissue bleeding or alleviate severe pain. **We are here to help provide the following emergency dental services:**

- Toothaches
- Swelling
- Infection
- Broken Teeth

To request an appointment, please call our emergency dentist in Escondido, CA at [833-867-4642](tel:833-867-4642)

We accept Medi-Cal and income based payments.

Emergency dental treatment available at the following Neighborhood location(s):

Escondido - Ray M. Dickinson Wellness Center

Due to the COVID-19 pandemic our dental locations (Hemet and Lakeside) are temporarily closed for dental services.
